443 FILETEADOR DE FIBRA 7781160
9071045 FILLET MAKER 7781160

Comentario "El fileteador de fibra sirve para, tomando como referencia el borde de la pieza, marcar una línea recta a modo de guía para la línea de costura o como adorno.

Además, el fileteador de fibra también se puede usar como plegadera, tanto para trabajos de artesanía del cuero como encuadernación."

444 FILETEADOR REGULABLE 7780720
9071044 FILLET MAKER 7780720

Comentario "El fileteador regulable sirve para, tomando como referencia el borde de la pieza, marcar una línea recta a modo de guía para la línea de costura o como adorno.

Esta herramienta permite ajustar manualmente el ancho de la línea."

445 GUBIA EN U 7718120
9071057 "GUBIA" IN U 778120

Comentario La gubia con forma de "U" te permitirá hacer surcos en la piel tanto para facilitar los pliegues como para realizar una figura decorativa.
